

# AP EUROPEAN HISTORY MAP SUMMER ASSIGNMENT

You are expected to have a general knowledge of European Geography before we begin our discussion of Modern European History. There are plenty of websites you can find not only maps of Europe, but also blank maps in which you may practice. Two good ones are <http://www.worldatlas.com/webimage/testmaps/europe.gif> and <http://www.eduplace.com/ss/maps/europe.html>. A good physical map of Europe is located at <http://www.ezilon.com/maps/europe-physical-maps.html>.

Two websites that are very useful in studying for the map tests are:  
[http://www.sheppardsoftware.com/European\\_Geography.htm](http://www.sheppardsoftware.com/European_Geography.htm)
